PORTOCER
TILES

Size: **600x1200mm**
 Surface: **PoliCER, PoliCER Flow, PoliCER Glid**
 Thickness: **9mm**

Inspired by the vibrant colors and calming
 ambiance of the coast, the PoliCER Collection
 captures the tranquility of nature through its
 motifs and serene tones. Featuring GVT tiles
 designed to reflect the essence of the outdoors,
 each tile brings distinctive elegance and beauty
 to every space.

Each tile is crafted to reflect light, infusing every
 room with a sense of spaciousness and luxury.
 Precisely designed grooves enhance the appeal
 of contemporary interiors, offering a modern
 interpretation of glamor and tranquility.

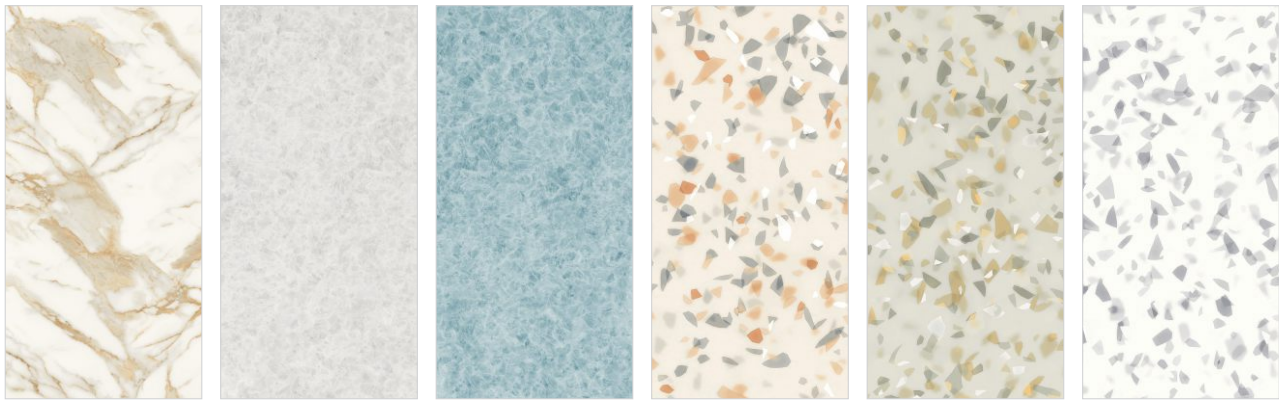

Stories That Flow Through Stone

The phrase "Italian Elegance" carries a history of art, sophistication, and refinement. It embodies the admiration for beauty and the ambition to create something better that not only awes but also inspires.

Taking this philosophy at heart, Portocer strives to deliver an extensive range of innovative surface solutions that celebrate the past, elevate the present, and set the tone for a better future. Every space carries stories, and we hope to celebrate each one.
